NSCBM Government College, Hamirpur

OUR INSTITUTION

Netaji Subhash Chandra Bose Memorial (NSCBM) Government College, Hamirpur stands as a beacon of academic excellence, innovation, and holistic development in Himachal Pradesh. Established in 1965, the college has successfully entered its sixth decade, evolving from a modest undergraduate institution into one of the premier centers of higher learning in the state. Nestled amidst the serene Dhauladhar ranges, the campus spans over 22 acres and offers an inspiring environment for intellectual growth and personal transformation.

In a historic achievement in 2024, the college has secured **1st position in the State Institution Ranking Framework (SIRF)** out of 141 colleges across Himachal Pradesh. This top-ranking status, earned with an exceptional score of **1019 out of 1100**, affirms our unwavering dedication to quality education, optimal resource utilization, and student-centric innovation. The SIRF assessment, conducted for the first time in the state, evaluated institutions on seven key parameters. NSCBM Government College achieved perfect scores in **Infrastructure and Resources** as well as **Best Practices**, with its innovative approach and distinctiveness hailed as "worth emulating."

The college's **teaching-learning practices** are recognized for their dynamism and focus on critical thinking and creativity, earning **130 out of 140**. A strong framework of **student support and progression** secured a score of **260 out of 280**, highlighting our commitment to student well-being, mentorship, and holistic development. Efficient **institutional management** was acknowledged with **203 out of 220**, while our well-qualified **faculty and** robust **research culture** received **91 out of 100**. Our engagement beyond the classroom—through skill development, green initiatives, internships, and outreach—was also lauded, receiving **95 out of 120**.

A special highlight is our **college library**, which has been ranked **first in the Himachal Pradesh State College Library Ranking** and placed in Level IV, based on over 45 comprehensive parameters including availability of books, ebooks, magazines, newspapers, research journals; circulation and reference assistance, operational timings, community outreach initiatives, digital initiatives, library automation and other facilities. Our library is fully automated with **SOUL software and RFID technology**, and offers extensive digital resources through NLIST by INFLIBNET, providing access to over 6,000 e-journals and 97,000 e-books. This modern learning hub is open from 9:30 AM to 4 PM, with extended reading room access till 6 PM.

Computer Lab

Further enriching our academic landscape is the **Indira Gandhi National Open University (IGNOU) Study Centre (Code: 1104)** housed on campus. Honored with the **Best Centre Award**, it offers a broad array of 80+ programs ranging from certificate to postgraduate levels (**17 Master's Degree courses, 33 Bachelor's Degree courses, 12 Diploma and Postgraduate Diploma programs, and 18 Certificate and Postgraduate Certificate courses**), empowering learners across all walks of life and promoting inclusive education.

OUR INSTITUTION

The college is **affiliated under UGC Act 1956, Sections 2(f) and 12(b)**, and is **NAAC accredited with a 'B+' Grade**. It offers undergraduate courses in **Humanities, Sciences (Medical and Non-Medical), and Commerce**, as well as postgraduate programs in **English, Hindi, Economics, Commerce, Mathematics, Botany, and Zoology**. Additionally, the institution runs self-financed programs including **BCA, BBA, PGDCA**, and **B.Voc** to meet evolving academic and industry demands.

Adding another feather in the college's cap is the **Advanced Material Science Research Lab** which is equipped for cutting edge research. The college infrastructure also boasts of **Ayush Garden** - a dedicated space for cultivating indigenous and Ayurvedic plants, promoting awareness of India's traditional medicinal heritage, other well-equipped laboratories, a central IT lab, computer centers, Wi-Fi-enabled campus, and VPN-connected departments. **Hostel facilities for both boys and girls, a state-of-the-art gymnasium, a 400-meter synthetic athletic track**, and provisions for indoor and outdoor sports create a well-rounded campus life. Co-curricular activities through **NSS, NCC, Rovers & Rangers and various clubs and societies** contribute to shaping socially responsible and engaged citizens.

With a dedicated faculty, a strong focus on academic rigour, and a rich co-curricular environment, NSCBM Government College, Hamirpur continues to uphold its legacy of excellence while striving to set new benchmarks in education. Our **Vision** is to build a holistic and vibrant learning environment, founded on value based academic principles, to inculcate mental and spiritual strength; and clarity of thoughts to

Vision: - To be a leading institution in providing comprehensive education in computer applications and business administration, recognized for fostering innovation, excellence, and ethical headship. We aspire to nurture a diverse community of students who are equipped with the knowledge, skills, and global perspective to thrive in the rapidly changing world of technology and business.

Mission: - To awaken the latent potentials of the students. We endeavor to inculcate among them a sense of responsibility, leadership and accountability. We try to develop spirit of social service, communal harmony and discipline in order to make students conscious towards social and environment issues; the qualities which unequivocally help in transforming them into awakened, responsible and accountable citizens

Navgrah Vatika Guardians: Cultivating Growth together is a collaborative effort led by the School of Computer Applications and the School of Business Administration, focusing on the maintenance and expansion of the Navgrah Vatika garden by students. This initiative not only aims to enhance the beauty of the campus but also instills a sense of environmental responsibility and community engagement among the student body. Through hands-on activities such as planting, watering, and landscaping, students actively contribute to the preservation of green spaces while learning valuable lessons in sustainability and teamwork. "Green Initiatives" empowers students to become stewards of the environment, fostering a culture of eco-consciousness and appreciation for nature within the academic community.

At the **TECHNOBIZZ FEST**, jointly organized by the School of Computer Applications and the School of Business Administration, saw enthusiastic participation from nearby colleges affiliated with the university. Students from these institutions added to the fest's vibrancy, contributing their talent and energy to the diverse array of activities, from engaging discussions to competitive quizzes and creative performances. The event served as a collaborative platform, fostering camaraderie and showcasing the collective ingenuity of the HPU affiliated colleges.
